Lecture Series – “Reeling in the Years”

As we are turning to 65 years old, we will all need to file for social security (if you haven't done so already) and medicare. With that said our first lecture will cover these 2 topics in scheduled for a Saturday morning in July 2018. Due to limited seating, if you are interested please contact your school representative so we can start a list of attendees.

This email will also be posted at the website. Please help us update the contact list. If any of your classmates have not been receiving newsletter emails, please have them provide their new contact information. Representative contact list is posted at the website or contact Suzi @ 808.864.7718.
