Viking Christmas on the Rhine Cruise Dec 2024

We are also trying to plan a cruise in December 2024. This Viking riverboat cruise is from Basel to Amsterdam or vice versa depending on what sails will be available. There is a discount on airfare being offered if you sign up by 11/30/23. Deposit is only \$25. Sorry, we are awaiting dates and details of the cruise so that you can decide before the rebate offer expires as staterooms are limited.

If not enough rooms are available, this cruise maybe pushed to 2025.
