Uchinanchu World Festival “Takai Okinawa 2027”

Uchinanchu World Festival is scheduled to take place in Okinawa, Japan from

October 27-31, 2027. This will be one of the largest gatherings which take place once every 5 years. The festival brings together people of Okinawan ancestry from around the world to reconnect with their Okinawan roots, celebrate Okinawan traditions, music and dance.

The itinerary we are currently working on will include the festival, hotel, ground transport, meals and activities outside of the festival stated in the itinerary. Airfare pricing will differ due to original departure location.

We know this will bring a lot of interest to the group, so we are asking you to let us know if you are interested. We will be starting up a group name list of interested travelers who

would like to join this tour. Please provide us with your contact information. As soon as the organizers of this event announce the festival plans, we will send out information to you.
